RE: MUR 7901

Dear Messrs. Lenhard, Koski, and Heller:

In the normal course of carrying out its supervisory responsibilities, the Federal Election Commission became aware of information suggesting that your client, Roger Ver, may have violated the Federal Election Campaign Act of 1971, as amended (the "Act"). On July 28, 2022, the Commission notified your client of these allegations, and on September 12, 2022, you submitted a response on your client's behalf.

On December 15, 2022, the Commission considered this matter, but was evenly divided as to whether to (1) find reason to believe that your client made prohibited contributions in violation of 52 U.S.C. § 30121(a) and 11 C.F.R. § 110.20, or (2) find no reason to believe that your client made prohibited contributions in violation of 52 U.S.C. § 30121(a) and 11 C.F.R. § 110.20. Accordingly, the Commission closed its file in this matter.

Documents related to the case will be placed on the public record within 30 days. *See* Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016). A Statement of Reasons providing a basis for the Commission's decision will follow.

If you have any questions, please contact Justine A. di Giovanni, the attorney assigned to this matter, at (202) 694-1574, or jdigiovanni@fec.gov.

Sincerely,

Peter G. Blumberg
