Back Story:

Lori departed L.A. happy to get out alive & opted out of the music industry. She continued to song write & do a bit of studio work.

Upon raising her awareness regarding current World Affairs Lori became determined to step up after having been awakened to idea of:

Historical conscience: What is yours to do?

For her that meant It’s time to sound off! - It’s time to blow my horn”

While Protesting Bridge Square in Northfield MN.(in -50 degrees below zero)

Lori sang the song seed: “We Are The Product (they’re planning to use) into the ear of **legendary lawyer Diane Miller& Founder of US Health Freedom Congress.** Diane’s eyes got big and she said “You have to finish that”.

Lori did a solo performance of **We Are The Product They’re Planning to Use** at the **US Health Freedom Congress held Fall 2022 held in Minneapolis, MN**
